About Me

I'm Pranav R, an Information Science student at NMAMIT NITTE (Class of 2025), passionate about web development and technology-driven problem solving. I focus on scalable, secure web applications and am honing my skills in full-stack development, cybersecurity, Python, 3D modeling, and UI/UX design.

Skills

- 3D modeling
- Creativity
- Management Skills
- Critical Thinking
- Leadership
- UI/UX design
- Web development
- SQL

🎓 Education

Bachelor of Engineering in Information Science   2024-2028
NMAM Institute of Technology, NITTE

Driven by a passion for web development and technology-led solutions. Currently honing skills in full-stack development, cybersecurity, Python programming, and UI/UX design. Actively involved in hands-on projects and academic learning focused on scalable, secure systems.

💼 Experience

Skill Development Intern   Jan 2025 – April 2025
Atal Incubation Centre – NMAMIT (AIC-NMAMIT)

- Participated in a structured program aimed at enhancing technical and entrepreneurial skills.
- Engaged in sessions on design thinking, problem-solving, and innovation methodologies.
- Explored real-world applications of emerging technologies and collaborative project ideation.
- Gained insights into startup culture, innovation ecosystems, and early-stage project development.

Self-Taught Web Developer

Ongoing

- Built multiple personal and freelance projects, focusing on developing responsive, user-friendly websites.
- Gained proficiency in frontend technologies (HTML, CSS, JavaScript) and backend tools (Node.js, MongoDB).
- Developed a full-stack student portal and portfolio website, incorporating user authentication and dynamic content.
- Continuously learning and applying best practices in web development, including version control (Git), web performance, and accessibility.
